

Yearly Meeting 2020

Bulletin Number 1 (25 May 2020)

Yearly Meeting Activities Have Begun

Last week the Prep Session of the Right Holding of Yearly Meeting (YM) Committee was held. Did you miss it? Do not miss the QPLC Session on the coming Thursday

Because we do not want to fill up all your waking moments during YM2020 week (or you will go screen-mad), we are limiting the YM activities each day. So, the preparatory sessions have started prior to the July week.

This week there will be Quaker Peace and Legislation Committee open session Thursday 28 May at 7pm
To register, contact Harold Wilkinson harold.wilkinson1@gmail.com.

For more information, visit the YM2020 website <https://www.quakersaustralia.info/preparatory-open-session-schedule-and-reports>

Trouble Logging In To Quakersaustralia.Info Website?

There is lots of good information about YM2020 on the website. It's really important that you be able to read it. So, if you cannot access it, you'll be really missing out. If you are not able, please try resetting your password. If that does not work, please follow up with Michael Searle.

Registration Required

Please register and remind your friends to register in order to attend YM 2020. We want to know that you are coming, and we want to send you info. [Click here to go to the registration form](#)

There have been 95 registrations so far.
