2021 International Peace Bureau – World Peace Congress Barcelona

To all our IPAN friends - an invitation

A major international peace congress is being held in Barcelona on the 15th – 17th October, run by the International Peace Bureau .

Although many of the 1800 people who have so far registered will be in Europe and physically join together in Barcelona, hundreds of others from around the world will be joining the congress on-line.

It is free to register for the congress, and we strongly encourage you to register to be part of the congress. To register, and to see the range of speakers and workshops, download the latest Congress Program from the IPAN website here, and click the register link:

There will be quite a few very interesting key speakers (eg Beatrice Fihn, (ICAN), Jeremy Corbyn, Sharon Burrow (international union movement), Noam Chomsky), together with a large number of workshops of interest.

IPAN has organised two workshops, one on the **US militarization of Australia**, with Matilda Byrne, Vince Scappatura, Kellie Tranter and students from Macquarie Uni, and a second workshop on **the Pacific Peace network** with Lisa Natividad, Clinton Fernandez and Annette Brownlie.

The congress is very timely given the growth of a coalition centred around opposition to nuclear submarines and AUKUS.
